## LYRICS

(Wings Of Tomorrow – 1984)

# Stormwind

I like to sit beside the fire  
When the light is going down  
I like to hear the wild wind blow outside my door  
I have so much left to remember  
I have so much left to forget  
And I know I just don't have to search for more

But you want to change my world  
Stay out of my life

Stormwind – you're just like a wind  
Comin' to drag me away  
Stormwind – what can I say  
I just don't want you world o

I like to walk around in dreams at night  
And play with kings and queens 'til the morning light  
I like to wake up in the morning, unaware  
Of the fact that you are calling me  
To ask me if I want to be  
Someone who you could love and always world or

But you want to change my world  
Stay out of my life

Stormwind – you're just like a wind  
Comin' to drag me away  
Stormwind – what can I say  
I just don't want you to stay

# Scream of Anger

I won't live to see tomorrow  
There won't be another breath  
None of them will ever sorrow  
Those who sentenced me to death

I've been waiting here for ages  
For the hangman to appear  
Soon the priest will read some pages  
From the Bible for my fear

I see a place, an evil place  
Comin' my way  
What can I do, where can I run  
I'm gonna die anyway

Things are getting clearer  
This is the price I have to pay

I feel like screaming out my anger  
There is so much left here to do  
When it happened I was younger  
And my destiny was you

I see a place, an evil place  
Comin' my way  
What can I do, where can I run  
I'm gonna die anyway  
Things are getting clearer  
This is the price I have to pay

What can I do about leaving you  
We were only halfway through  
What can I say  
There was no other way  
They wouldn't let me stay

## Open Your Heart

Days filled with joy and days filled with sorrow  
I don't know just what to do  
Am I happy today, am I lonely tomorrow  
Everything depends on you

I've been waiting for the angels  
To knock on my door  
I've been hopin' that  
Everything could be like before

Open your heart and tell me what's wrong  
Why can't you talk like you used to do before  
I don't know if I'm weak, I don't know if I'm strong  
Hey girl, I can't cope anymore

I've been waiting for the angels  
To knock on my door  
I've been hopin' that  
Everything could be like before

Open your heart, let me hear you  
Make up your mind, I want to hear you call  
Open your heart, want to come near you  
Make up your mind, oh girl, before I fall

Maybe the sun will continue to shine  
Maybe the rain will continue to fall  
Maybe you want to leave me behind  
Maybe you'll change and give me a call

# Treated Bad Again

Hey girl, don't come to me and ask me for a helpin' hand  
'Cause by the way things seem to be, I would never ever understand  
'Cause when he comes to you, you always take him back  
Hey girl, just wait and see, you're bound to have a heart attack

'Cause whenever you meet, it always turns out the same  
Baby, you're treated bad again  
Treated bad again

Hey girl, why can't you learn that changes can be made  
'Cause when he comes to you, you got to turn and walk the other way  
Go out, hit the town, try to look for something new  
Go out, mess around, understand what you are going through

'Cause whenever you meet, it always turns out the same  
Baby, you're treated bad again  
Treated bad again

So many nights  
My thoughts bring me to you  
I've seen him come and go  
And so many years  
You don't know I've been watching you  
But baby, baby  
Would something change if you knew

# Aphasia

Instrumental

# Wings of Tomorrow

You must be dreaming  
Or going out of your mind  
There's no way of changing  
The world over one night

Maybe you need to recover  
From all the things you've been through  
Maybe you need to discover  
That it ain't much left to do but

Ride, ride, ride the wings of tomorrow  
Ride, ride, ride to change the world

You feel sorry for the nations of 1984  
And it cuts you like a razor  
'Cause you've seen it all before

You've seen one war after another  
So many lives on the line  
You must take care of one another  
Or it's the end of time

Ride, ride, ride the wings of tomorrow  
Ride, ride, ride to change the World

## Wasted Time

Blood's been spilled throughout all times  
We should know better since we've been around  
There's been changes, there's no denyin'  
But in what direction is the good sense flying

This world, so endless blue  
Is better for lovers  
You cry 'cause you don't know if it's true  
If all those years've been wasted time

Wasted time

Evil strikes, feel the fear  
The vision of the future is no longer clear  
In your mind you see yourself  
Running and hiding, you're somebody else

This world, so endless blue  
Is better for lovers  
You cry 'cause you don't know if it's true  
If all this time's been wasted time

Wasted time

## Lyin' Eyes

I can tell, just by the look  
In your eyes, that the love is gone, that I once took  
So much has changed in the way you live  
I bet there's nothing left that you can ever give

The words of a madman are spoken  
I guess I'm not the only one  
The heart of a sad man is broken

Eyes, lyin' eyes  
You can fool anyone without disguise  
Eyes, lyin' eyes  
Your look is cold as ice

It's in your blood, it floats in your veins  
I sacrifice myself, but all I feel is pain  
You've done me wrong, you've been so bad  
But it's the last time a battle is lost  
Where I'm the one who's sad

The words of a madman are spoken  
I guess I'm not the only one  
The heart of a sad man is broken

Eyes, lyin' eyes  
You can fool anyone without disguise  
Eyes, lyin' eyes  
Your look is cold as ice

I wish you'd die, I wish you'd break down and cry  
I wish you'd move and then I know I'd be satisfied  
Can't you see I'm on the edge, I can't look down  
It is me who's lost and never found

## Dreamer

He is down by the riverside  
Late one night  
He's tryin' to count the stars  
In each of the signs

All alone by the riverside  
And time passes by  
Gathering thoughts of the past  
And maybe he'll cry

So they say he's a madman  
That they don't understand  
But I know that he's tryin' hard  
To act like a man

All those years he has suffered, my friends  
All those years of pain  
But I don't think he knows for sure  
If those years were in vain

He's a dreamer  
And he's fightin' for his life  
He's tryin' to understand  
He's a dreamer  
But he wants to carry on  
Yet I know he's a lonely man

# Dance the Night Away

Hey girl, I can feel your heart  
We had something goin' on right from the start  
When I look at you, I just feel so good

Hear the music breakin' up the ground  
Can you feel it, I just love the sound  
I'm just lettin' go just like I should

There's something goin' on that's so hard to describe

But I can dance the night away  
There's nothin' else that I want to do  
Yes, I can dance the night away  
There's no one else that I want but you

Tomorrow never gets in my way  
When I feel like dancin' night and day  
I just want to get up and never ever get down

Seems to me I won't get old  
And my heart will never ever get cold  
It's so hard to feel bad when you're around

There's something goin' on that's so hard to describe

But I can dance the night away  
There's nothin' else that I want to do  
Yes, I can dance the night away  
There's no one else that I want but you
